

7.1.19. The institution maintains complete transparency in its financial, academic, administrative and auxiliary functions

Academic Transparency

Transparency implies openness, communication, and accountability. At PIADS students assignments and sessional work assessment is evaluated in a totally transparent manner by clearly explaining the expectation by teacher in a particular task. So students have clarity about they are expected to do. The criterias of evaluation and its weightage is clearly set. The use of model examples is made to help students understand what is expected of them as a good quality of work.

- Every year academic policies are updated through the outcome of Pedagogy workshop. Academic calendar, teaching plans and continuous assessment schedule and other activities are planned for the year.
- These policies are reformed by the group consisting of Faculty, Deans & Principal by extensive deliberations and approved by Director.
- Once approved by Director they are made available to all stake holders, including students.
- Checked assignments, test answer books are made available to the students to ensure transparency in valuation.
- Attendance data is displayed on the institute notice board from time to time.

Administrative Transparency

At PIADS transparency in administration is valued most; as this is the way people can be held accountable for their behaviour with actions. Teachers are held accountable for teaching & learning activities. Students are accountable for one another and their personal behaviour. The accountability & transparency helps to change attitudes which in turn improves academics.

Teachers share their resources and idea with each other, seek answers to teaching problems. This kind of transparent collaboration improves teaching.

- Principal is executive and academic head of the institute and gets directions from the Director
- There are Deans for Academics, Administration, core subject Design, and Research to focus on different facets of education and their responsibilities & duties are well defined to maintain transparency.
- All the administrative procedures for students & staff are clear.
- Service rules and other policies of administration, leave etc are laid down.

Financial Transparency

- The institute calls for the budget from every portfolio incharge to prepare the budget of college before the commencement of every financial year.
- Once the proposed budget by incharge officers is finalized by the committee a combined budget is prepared under different heads and the portfolio incharge are made aware of the budget.
- The financial year of the Institute is same as that of the government.
- Required financial powers are given to the Director.
- Salary sheet of every staff member is available on ERP portal and hard copy is signed as acknowledgement by staff.
- The system of Internal Audit at institute level and External Audit by statutory auditors at the sanstha level is practiced.

Transparency in auxiliary function

- The institute and sanstha has well documented policies for its auxiliary functions with all administrative norms and the standing orders in place.
- The details of the policies governing various auxiliary functions are available to maintain transparency.

AURA - 2018 Students Competition Report

Teacher Incharge:

1. Prof. Sarang Gurjar
2. Prof. Rashmi Tijare
3. Prof. Manisha Yelne

Summary:

We faculty members were involved in the task of formulating the academic oriented design problems for AURA - 2018. The problems were discussed formulated and are attached herewith. The competition brief were canvased to different Institutions by the organizing committee. They have put soft copy of all the problems on net as informed by them. The competition were conducted as per the schedule. However there was no participation from other colleges. Some of the solutions of the core design competitions with material match sticks and green bricks are attached here with.

Lastly in the prize distribution ceremony the prizes were given to the various participating entries which were judged the best.

ABHIPRAY

“Imagination is the beginning of creation.”

Every design is meant to be completed within a given time span, that's what makes it more efficient and different.

The task for this year focuses on the blend of different styles of architecture (Byzantine, Gothic, Roman, Greek etc.) and representing it by making a real life sculpture. The sculpture shall be in a sketch and model format along with a supporting write/caricature up explaining the design. Participation shall be entertained in teams of five members from each group.

Model has to be made in any suitable 3-D software. Participants have to bring with them a laptop.

Venue: Room No. 308

Student Co-ordinators: Miheer Barve, Vartika Agrawal

ARCHIPEDIA

"The purpose of a quiz is not to shame or embarrass anyone, but to make sure that everyone is on the same page."

Which ideology gave rise to the Bauhaus School of Arts? What was the deciding battle of World War II? The Harmika of Sanchi Stupa stands for.....

Let's see how much have you dived in this limitless ocean of knowledge. 'Archipedia' is an intriguing quiz contest which will test your general knowledge quotient. Participation shall be in a team of four.

Venue: Room No. 303

Student co-ordinators: Abdul Taiyab, Hanzala Khan, Stuti Kanade

DEBATE

Ideate. Debate. Define

Let's brainstorm, clash, discuss, divide, dispute, rebut and reflect on what we are as architects of tomorrow. Join us together on a platform to stand for your own ideas and philosophies and prove your psychological beliefs.

Participate in a team of two. Topics will be released on spot to maintain the originality of the ideas.

Venue: Sullivan Grandstand

Student Co-ordinators: Hanzala Khan, Stuti Kanade

EDIFY

"Representations and presentations. The real task lies in reflecting literature through art."

Every team shall be given one word on spot. There is a missing beat which is deliberately left in a song to create and increase the level of drama, curiosity and importance. This missing beat ponders and reflects the philosophy of the artist. The task lies in relating and creating your philosophy with the given word and bring out its importance through a model. We expect you to analyse the world and think about reflecting it while making a model from – Bamboo sticks, Oasis brick and wires. A write up supporting the philosophy is to be submitted along with the model. Participation in a team of three from individual groups.

Venue: Room No. 306

Student Co-ordinator: Arpith Roy, Vrunda Nabira

MATCHSTICK BRIDGE MAKING

"What is great in a man is that he is a bridge not a goal."

Bridges are connections with which we can very well relate in our everyday lives. With the beauty of it, comes the strength which it beholds.

Maximum one team of three members are subjected to participate. The students will be provided with limited number of matchsticks and glue. It is now upon you on how to perceive and carry out the strongest possible design with the matchsticks provided. Strength apart, the bridge should be aesthetically appealing as well. You will be judged on the basis of the amalgamation of design and strength of the bridge.

No. of matchsticks – 10 boxes

Flex quick – 1 bottle

Span – 12 cm

Venue: Room No.307

Student Co-ordinators: Aafreen Saleem, Shivin Vvaas

MINIATURE SET DESIGN

"Some sets are home to the characters, while some sets are characters themselves."

The stage is set! Illustrate your understanding and reflection of a movie, by designing a miniature set for the given film. You are expected to make a small scale model by the given materials in teams of three students.

Material – Foam sheet (A1), flex quick, cutter,

***participants have to bring their own scales and set squares**

Scale – as per competitor's suitability

Venue: Room No. 305

Student Co-ordinators: Rahul Saxena, Muddassir Khan

PHOTOGRAPHY

"Photography is a story we fail to put into words."

Architecture is a virtual art and details are its building blocks. These details are not merely details; they make the design and one needs a thoughtful eye to pinpoint it. What better way than a camera to treasure the beauty of architecture and showcase it to the world.

Capture the beauty of the architecture of the whole Priyadarshini campus (excluding PIADS) by reflecting an architectural element. Roam around the campus and show us the creativity of your architectural eye in the form of five entries per group.

***All submissions to be done in A4**

Venue: Room No. 214 (Direct submission)

Student Co-ordinators: Aashish Khatri, Aayushi Tamrakar

20th Oath Taking Ceremony at PIADS, Nagpur

Nagpur: Oath Taking Ceremony of 20th Batch of Priyadarshani Institute of Architecture and Design Studies was conducted at PIADS campus. The well known leading practicing of Mumbai, Ar. Shirish Sukhatme was the Chief Guest of this program. For this ceremony the Ar. Sunil Degwekar, treasurer IIA National, was the Guest of Honour.

On this occasion Director of Priyadarshini Institute of Architecture and Design Studies, Nagpur Ar. Habeeb Khan gave the oath to 120 young Architects to be honest to the profession and to practice with ethics. During his address he said that architecture is a social art and hence society will have many expectations from the budding architects. And he expected that all the young architects graduating from PIADS must work for societal benefits.

Chief guest Ar. Shirish Sukhatme said that formal education is a loan that we take from society and we have to repay it by doing something fruitful for the society and by contributing in the education system, only then architects will have a stronger position in the society. On this occasion the guest of honour, Ar. Sunil Degwekar said that the fresh graduates always wish to start their own practice in the field but before starting their own office they must work under the experts in the field to gain practical knowledge.

Principal of the Institute Prof. Padgilwar, during his address said that the 5 year degree course just help students to build their educational foundation but along with this we as an institute have tried to build personality of each and every student. In the coming future the students will experience the benefits of this developed personality. Prof. Shrutee Dhanorkar conducted the complete program and also invited many parents and students to share their feelings on the occasion of Oath Taking Ceremony. The formal vote of thanks was presented by Prof. Prateek Barsagde.
